Proposed Change:	<p>Add the following enhancements to the CAIS Cost Estimating Module</p> <ol style="list-style-type: none"> 1. Add RS Means Unit Cost to the Estimate Type Search window for Equipment, Material, Labor, Overhead and Total Unit Cost. 2. Modify the Quantity on the Estimate Detail window to include two decimal positions. 3. Provide a new security level for estimators that will provide access to the Cost Estimating Module but prevent estimators from modifying any CAIS data 				
Justification:	<p>These modifications are necessary to further enhance the functionality of the Cost Estimating Module and to make it more usable. These were discussed in detail at the October 2016 CAS/CAIS User Group meeting and received overwhelming support for their implementation.</p>
