Office of Asset Management (MA-50)
Subject: Condition Assessment Information System (CAIS) Version 3.25 Release

Today, Thursday, June 6, 2019, version 3.25 of the Condition Assessment Information System (CAIS) was released. This release addresses the following enhancements.

Estimate List

- **Last Updated By User** has been renamed to **Last Updated By** to be consistent with the IU and Projects data field.

Standard Reports

- A  button has been added to the standard report criteria page. Clicking this button will return you to the Standard Reports window.

Estimating Module

- **Location** has been renamed to **Geographic Adjuster** to be consistent throughout CAIS.

Ad Hoc

- **FY Baseline Date** and **FY Baseline Cost** have been removed from CAIS.

System Documentation

- The CAIS User's Guide has been updated to reflect the enhancements included in this release. This document can be obtained from the CAIS website at <https://cais.doe.gov/caisinfo/doc.html>.

If you have any questions related to these enhancements, please contact the FIMS/CAIS Help Desk at 410-482-0111 or via email at fims_cais_help@hq.doe.gov.
