

**U. S. Department of Energy  
Condition Assessment Information System  
Request for Change  
Change Request #: 21-10**

Requestor Name:	McMillan, John D.	Date:	12-11-2020	Affiliation:	
Email Address:	<a href="mailto:John.mcmillan@science.doe.gov">John.mcmillan@science.doe.gov</a>	Phone No:	865-576-6638	DOE	
Site Name:	Oak Ridge Office	HQ Program Office:		Contractor	
Proposed Change:	Add an "Export" button to the Estimate Detail Window for the current estimate standard report. The current requirement is to chose "Return to List" tab, check the estimate, then chose the "Export" tab. This would save time if the report can be generated from the Estimate Detail window. Also include the new report that will be developed as part of change request 21-09 as part of this request.				
Justification:	Time reduction. Would also give the estimator the ability to see how the estimate will look while still being within the "Estimate Detail Window".
