Change Request #: 22-02**

Requestor Name:	McMillan, John D.	Date:	11-24-2021	Affiliation:	
Email Address:	John.mcmillan@science.doe.gov	Phone No:	865-576-6638	DOE	
Site Name:	Oak Ridge Office	HQ Program Office:		Contractor	
Proposed Change:	<p>Modify the Job Cost Phase report so that the Quantity reflects the decimal positions and does not round to a whole number.</p> <p><u>Example:</u> Often, a whole number is not required in the estimate. In the RSMeans database, Supervision is available in Wks. If I only need 2 days, then that would require a .4 as an entry. When exported to Excel, the quantity shows up as 0.0.</p>				
Justification:	Clarity for the reader. Less estimate modification after export for the operator.
