Request for Change  
Change Request #: 22-04**

Requestor Name:	McMillan, John D.	Date:	12-11-2020	Affiliation:	
Email Address:	<a href="mailto:John.mcmillan@science.doe.gov">John.mcmillan@science.doe.gov</a>	Phone No:	865-576-6638	DOE	
Site Name:	Oak Ridge Office	HQ Program Office:		Contractor	
Proposed Change:	Provide the capability to copy an existing estimate to a new estimate that includes blank Quantity values.				
Justification:	Create an option which allows copying an estimate without the quantities already populated. This will ensure the estimator will perform takeoffs for the new project rather than rely on quantities from the previous project the estimate was copied from. We perform remodeling on offices, which, for the most part, are either 10-foot x 10-foot or 10-foot x 15-foot. Having the ability to copy an estimate is basically having a template to work from without having to re-create a whole new spreadsheet from scratch. Thus, a time saver for the estimator.				
<b>Please Do Not Type Below This Line</b>					
CCB Remarks:	01/20/2022 – CCB Recommended				
OAM Remarks:	This would be accomplished as a “create template” option under an “Advanced” button to limit confusion with the current copy capability.  01/21/2022 – Approved by Adam Pugh				
Implemented:	04/19/2022 – Implemented into CAIS 3.45				

Complete form and email to Adam Pugh ([adam.pugh@hq.doe.gov](mailto:adam.pugh@hq.doe.gov))
