Proposed Change:	<ol style="list-style-type: none"> 1. Make the "Next Inspection Date" an automatic update following an update to the Last Inspection Date on the Asset Detail window. The "Next Inspection Date" will be updated with a date 5 years from the Last Inspection Date. Allow manual update after the initial automatic update. 2. Ensure Next Inspection Date is defined in the CAIS Data Element Dictionary 				
Justification:	<ol style="list-style-type: none"> 1. It causes inconsistencies and errors with reporting requirements if done manually.
