MOA01-L4	Moab, UT, Air Monitoring Station #0119	DOE License	Land
----------	--	-------------	------

Access agreement for air monitoring station on Matheson Wetlands Preserve property. 4/17/17 - Photo added for Air Monitoring Station #0119 (Utah Division of Wildlife Resources/Matheson Wetland Preserve).

10/31/2017 - Updated License Agreement Information entered in FIMS reflecting new expiration date of 02/22/2021, copy of renewed Agreement provided by Cindy S. from Project Records.

11/01/2017 - Pursuant to Matt Reardon's instructions the \$300.00 was deleted from the "Rent" data field and reflected in the "Other Cost" field, as these expenses are projected for the electricity needed to operate the Air Monitoring equipment and DOE is responsible for these costs.

04/19/2018 - Annual Utilization, Overall Asset Condition, Mission Dependency, and Core Capability "applicable" to Land data elements verified to the FY 2018 Annual Survey Sheets completed by Kyler Lott and Matt Reardon, and the documentation uploaded to FIMS. Core Capability changed to "EM08" Other Enabling Infrastructure.

06/19/18 - As requested by Matt R. via email to the FIMS Helpdesk, the "Ownership" was changed from "Contractor License" (Code E) to "DOE License" (Code B).

10/01/18 - Populated "Estimated Disposition Year" with "2021" (License Agreement Expires 02-22-2021), as guided by Matt R. in a telephone call on 10-01-2018.
