U. S. Department of Energy
Facilities Information Management System
Request for Change
Change Request #: 15-13

Requestor Name:	Adam Pugh	Date:	07/10/2015	Affiliation:	
Email Address:	Adam.pugh@hq.doe.gov	Phone No:	202-287-1397	DOE	X
Program Office:	Office of Asset Management			Contractor	
Proposed Change:	1. Add the following new land usage code 17 (Outpatient Healthcare) – Land used for outpatient healthcare facilities 2. Add a new data element called Surplus Declaration Date. This field will be protected and only populated by the Office of Asset Management via a list received from GSA or from a data call. This field will be available for all DOE Owned and DOE Leased assets. Surplus Declaration Date – The date in which any excess real property not required by any Federal landholding agency for its needs or the discharge of its responsibilities, as determined by the Administrator of GSA. Agencies with independent authority to dispose of real property assets may also declare assets as "surplus", depending on the processes prescribed in their statutory authorities. 3. Change the pick list options for Can't Currently Be Disposed from a Yes/No field to the following: - Environmental Remediation - Diplomatic Restrictions - Title/Legal Disputes - Campus Location - Easements - Protective Structures - Other 4. Remove the data element Can't Dispose Reason. This field is no longer needed with the changes identified in item #3. 5. Modify the Disposition Method pick list to include new options of: • Loss Due to Disaster (LD) – The loss of an asset resulting from natural hazards • Loss Due to Training Exercise (LT) – The loss of an asset due to a coordinated exercise conducted for training purposes 6. Rename Disposition Value to Actual Sales Price. This field would only be available for entry when the Disposition Method is Negotiated or Public Sale.
