Proposed Change:	Add the data field "Added by FIMS" into the FIMS Adhoc Report pick list of data elements.				
Justification:	This will allow the sites the capability to run reports to see when records were added to FIMS every Fiscal Year. This data field is eligible in CAIS and it would be great to have it added to FIMS. For those individuals that do not have access to CAIS, they could get this information from FIMS.
