

**U. S. Department of Energy  
Facilities Information Management System  
Request for Change  
Change Request #: 17-16**

Requestor Name:	Deborah Couchman-Griswold	Date:	April 12, 2017	Affiliation:	
Email Address:	<a href="mailto:Deborah.couchman-griswold@nnsa.doe.gov">Deborah.couchman-griswold@nnsa.doe.gov</a>	Phone No:	505-845-4752	DOE	X
Program Office:	NNSA/NA-521			Contractor	
Proposed Change:	<p>Modify the following descriptions as indicated:</p> <p><b>Est Cleanup &amp; Disposition Cost</b>  Enter a number using either an AFDCS Liability Estimate, EM project cost estimate, or other. <u>This amount is a culmination of costs required to prepare the facility for disposition including stabilization, deactivation, decommissioning, decontamination, dismantlement/demolition, and/or sale.</u></p>				
Justification:	<p>The changes clarify the descriptions as they pertain to excess facilities to improve data quality for use in the <i>Plan for Deactivation and Decommissioning of Nonoperational Defense Nuclear Facilities</i> report to Congress, and eliminates references to the TYSPs, which are no longer required.</p>				
<b>Please Do Not Type Below This Line</b>					
FAC Remarks:	06/14/2017 – FAC Recommended				
OAM Remarks:					
FDDC Remarks:	06/26/2017 – FDDC Approved				
Implemented:	08/28/2017 – Implemented into FIMS 3.0
