SUBJECT: Facilities Information Management System (FIMS) Version 1.20 Release

Today, Tuesday, March 4, 2008 version 1.20 of the Facilities Information Management System (FIMS) was released. These enhancements address Change Request 07-03, 07-05 and 07-10 which are available for review on the FIMS website at http://65.216.217.68/change_requests.htm. These enhancements are automatically available to you when you log into FIMS from your browser. The following system enhancements are included in this new release.

- At the Site level, the GSA Report widow was renamed to FRPP Report.

- The following data elements were removed from the identified FIMS windows:

    - Site Info – Regulatory Agreement

        National Priority List

    - GSA Report (now FRPP Report) – GSA Control Number

        Excess Indicator (Site)

    - Area Info – M&O Contractor

    - Building Condition - Design Use

- The size of the OSF - Primary Quantity and Secondary Quantity and the Archive - Measurement and Secondary Quantity data elements has been modified to include 3 decimal places. This allows FIMS to be consistent with FRPP reporting.

- The following FIMS Standard Reports were modified to reflect the above changes:

- FIMS 001	- FIMS 040	- FIMS 048
- FIMS 019	- FIMS 042	- FIMS 080
- FIMS 050	- FIMS 043	
- FIMS 052	- FIMS 044	

- The following FIMS Archive reports were modified to add the Disposition Value, Net Proceeds and Recipient data elements:

    - FIMS 078

    - FIMS 079

    - FIMS 080

- The above database changes have necessitated changes to the following FIMS Microsoft Access databases which will be available for download by the close of business today:

- The FIMSWEB0114.MDB ad-hoc query database has been updated to reflect the changes to the database. You can download the updated database from the FIMS website at http://65.216.217.68/downloads.htm.

- The FRPC Population Queries, frpc_24_web_0114.mdb, has been updated to reflect the changes to the database. You can download the updated database from the FIMS website at http://65.216.217.68/downloads.htm.

- The following Population Queries Microsoft Access databases have been updated to reflect the changes to the database. You can download the updated databases from the FIMS website at http://65.216.217.68/downloads.htm.

  - Critical 22 Fields Access Queries, crit22_web_0114.mdb

  - 2nd Quarter Access Queries, qtr2_web_0114.mdb

  - 3rd Quarter Access Queries, qtr3_web_0114.mdb

  - 4th Quarter Access Queries, qtr4_web_0114.mdb

- The FIMS User's Guide, FIMS Reporting Guide, and FIMS Data Element Dictionary have been updated to reflect all of the above changes. These documents will be available from the FIMS website at http://65.216.217.68/documentation.htm by the close of business today.
