SUBJECT: Facilities Information Management System (FIMS) Version 2.7 Release

Today, Tuesday, February 12, 2013, version 2.7 of the Facilities Information Management System (FIMS) was released. The URL to access the FIMS application is <https://fimsweb.doe.gov>. This release addresses the following enhancement which will automatically be available when you log into FIMS from your browser.

- A button was added to the OSF Dimension window to initially set all 9 Meter fields to 'Not Used' as requested by Change Request 13-02. This Change Request may be found on the FIMS website at http://fimsinfo.doe.gov/change_requests.htm.

If you have any questions related to this enhancement, please contact the FIMS Hotline at 301-903-0850 or email FIMS Support.
