SUBJECT: Facilities Information Management System (FIMS) Version 2.8 Release

Today, Monday, March 11, 2013, version 2.8 of the Facilities Information Management System (FIMS) was released. The URL to access the FIMS application is https://fimsweb.doe.gov. This release addresses the following enhancements which will automatically be available when you log into FIMS from your browser.

- The column headings on the Property List screen have been frozen so that when you scroll down through the list the headings remain visible. This enhancement implements Change Request 12-17 which may be found on the FIMS website at http://fimsinfo.doe.gov/change_requests.htm.

- The 13 Restriction data fields have been removed from FIMS as requested by Change Request 12-18. This Change Request may be found on the FIMS website at http://fimsinfo.doe.gov/change_requests.htm.

- The FIMS **Ad Hoc Report – current** tool has been enhanced to include GSA assets. The Ownership listbox now include "GSA Owned" and "GSA Leased" as choices. The following 3 new data fields have been added to the "Available Display Columns" listbox to allow selection of GSA asset data:
  - GSA – Assigned Usable (SF)
  - GSA – Common Space (SF)
  - GSA - Total Bill - Annual

  GSA asset data is also available from the following existing "Available Display Columns" data fields:
  - Alternate Name
  - Annual Actual Maintenance
  - Area Name
  - Area Number
  - Hours of Operation (weekly)

- o Operating Cost fields
- o Program Office
- o Property ID
- o Property Name
- o Real Property Unique ID
- o Total No of Contr Employees
- o Total No of Federal Employees
- o Total No of Occupants
- o Total No of Other Personnel
- o Usage Code

- The FIMS User's and Reporting Guides have been updated to reflect these enhancements. These documents can be obtained from the FIMS informational website (http://fimsinfo.doe.gov/documentation.htm).

If you have any questions related to this enhancement, please contact the FIMS Hotline at 301-903-0850 or email FIMS Support.
